

Dear Santa,

My name is _____ and I am

_____ years old. I live in _____, Arizona. I'm sure the weather is much warmer here in the desert than it is up in the North Pole.

You should come visit after Christmas and enjoy some warmer weather by the pool!

I think I should be on the nice list because:

The TOP TWO things I have on my list this year are:

1. _____

2. _____

I hope you and the reindeer are all staying safe and healthy. I am getting very excited for you to visit.

Warmest Christmas Wishes,

PS: I won't forget the milk and cookies!!
